

GENERAL RULES & ENTRY FORM

I. ELIGIBILITY: FOR ALL-AMERICAN LIMOUSIN FUTURITY SHOW

All cattle must be recorded with the North American Limousin Foundation (NALF) to be eligible to show in the All-American Futurity (AALF). The 2019 AALF will have Limousin (orange papered 75% or greater), Lim-Flex (purple papered) and Fullblood showing together. The NALF Board has approved awarding Level I MOE points for this show as requested by the NALF Show Committee and the AALF Executive Committee.

A) **Bulls calved between September 1, 2017, and January 31, 2019, are eligible to show.** All bulls entered in the AALF must be free of known genetic defects. If their pedigree check reveals a suspect carrier ancestor that has not been tested free when checked by NALF, said bull must test free to be eligible to show in the AALF and compete for the After 5 Club money.

B) Females calved between September 1, 2017, and January 31, 2019, are eligible to show.

C) Cow-calf pairs must have a natural-born calf nursing that is less than 250 days of age show day. Calf at side may be shown in individual class if born January 31, 2019, or before.

D) All cattle will be checked in by show management—tattoos will be read, hip height measured, and all bulls will be weighed and scrotal measurements taken.

E) EPDs will be made available to the judge(s) on all animals shown.

F) A Jan Mapes' sculptured trophy will be awarded to the Grand Champion Bull and the Supreme Grand Champion Female.
